Item 1.01 Entry into a Material Definitive Agreement.

On May 15, 2026 (the "Effective Date"), Rocket One Inc. ("Rocket One"), a newly formed subsidiary of Hoth Therapeutics, Inc. (the "Company"), entered into two exclusive license agreements (collectively, the "VCU License Agreements") with the Virginia Commonwealth University Intellectual Property Foundation ("VCU") as further described below.

Pursuant to the License Agreements, VCU granted Rocket One an exclusive, royalty-bearing license to certain patents to, among other things, make, use, sell, and import Licensed Products and otherwise perform Licensed Services, with the right to Sublicense in the Field of Use (as defined herein). Additionally, VCU granted Rocket One a non-exclusive, royalty-bearing, worldwide license to the Licensed Technical Information to, among other things, make, use, sell, and import Licensed Products and otherwise perform Licensed Services with the right to Sublicense in the Field of Use. "Field of Use" means commercial use for data centers and artificial intelligence.

Unless terminated earlier pursuant to their respective terms, the License Agreements shall remain effective until the expiration of the last to expire Licensed Patents, or 15 years from the first commercial sale of a Licensed Product or Licensed Service, whichever is later.

Pursuant to License Agreements, Rocket One shall pay VCU: (i) a royalty payment equal to a mid single digit percentage of the Net Sales of Licensed Products and Licensed Services that are covered by the Licensed Patents, subject to adjustment; (ii) a royalty payment equal to a low single digit percentage of the Net Sales of Licensed Products and Licensed Services that are covered by the Licensed Technical Information, subject to adjustment; (iii) a low double digit percentage of Sublicensing Revenue; and (iv) minimum annual payments ranging from low five figures to mid five figures, increasing with time. With respect to one of the License Agreements, Rocket One also paid VCU a low five digit figure upon execution of such agreement. In addition, Rocket One has agreed to reimburse VCU for all reasonable legal expenses incurred in filing, prosecuting, and maintaining the Licensed Patents under the License Agreements.

All capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the respective License Agreement.
